

# Codonics Container Labeling System Software Download Overview & Software Disclaimer

**Tech Brief**

---

## **Summary**

Thank you for purchasing the Codonics Container Labeling System™ (CLS).

The software for operating the Container Labeling System is available to you by downloading the file set. Included with the file set is all of the user documentation that you will need for the CLS.

Please contact Codonics Technical Support for instructions on how to download the software and user documentation.

## **Technical Support**

## **Software Disclaimer**

As a condition of using the Codonics Container Labeling System (CLS), you hereby agree to the following terms and conditions.

You agree to carefully review, and assume responsibility for: the operational configuration settings of the CLS and the proper usage of the CLS; the accuracy of all drug-related information, whether manually input into the CLS or incorporated into the CLS from an external source, including the usage of any information output by the CLS. All information output by the CLS is to be verified prior to the treatment of a patient or use by any other equipment, and shall not be relied upon without proper verification. Codonics is not responsible, and hereby disclaims all liability for the consequences resulting from use of the CLS in a manner that is not in compliance with these terms and conditions. This Agreement supersedes all prior or contemporaneous agreements, representations, warranties and understandings with respect to the CLS, application, the content or information used by the CLS, or services provided by Codonics and that is the subject matter of this Agreement. This Agreement may be amended by Codonics at any time without specific notice to you.
