

Product Activation

Overview

The SLS must be activated by Codonics. Codonics will provide a Registration Key to print labels without a "TEST LABEL - DEMO USE ONLY" watermark. Please follow the instructions below to register the SLS.

Instructions

1. Fill in your **Customer Information** in the box below.
2. Fax or email this form to Codonics. **One form is required for each SLS.**
3. Codonics will email the SLS Registration Key(s) to the address specified below.
